Undergraduate Research and Internship Opportunities
For Students in the College of Chemical and Life Sciences

Rollinson Fellowship Initiative (www.chem.umd.edu/UnderGrad/majorsresearch.php)
   Sponsor: Department of Chemistry and Biochemistry
   Qualifications: Freshman chemistry and biochemistry majors
   Provides a tuition allowance and funds for research supplies

Maryland Student Researchers (www.ugresearch.umd.edu/studentresearchers.html)
   Sponsor: Undergraduate Studies
   Qualifications: 2.0 Minimum GPA and completion of 15 credits
   Results in a transcript notation acknowledging participation

HHMI Undergraduate Research Fellowship Program (www.chemlife.umd.edu/hhmi)
   Sponsors: Howard Hughes Medical Institute and the College of Chemical and Life Sciences
   Programs: Catalyst Seminar - an introduction to research opportunities for college freshman
              Fellowships - in support of undergraduate research

Departmental Honors Program (www.chemlife.umd.edu/research/undergrad-research.html)
   Sponsors: Department of Biology, Department of Cell Biology and Molecular Genetics, Department of Chemistry and Biochemistry, Department of Entomology
   Qualifications: 3.2 minimum GPA and sponsorship by a faculty mentor
   Culminates in the defense of an Honors thesis and results in a transcript notation

Honors Research Grant (http://www.honors.umd.edu/researchgrant.html)
   Sponsor: University Honors Program
   Provides grants in support of undergraduate research to students enrolled in departmental honors programs

Senior Summer Scholars Program (www.ugresearch.umd.edu/aboutssss.html)
   Sponsor: Undergraduate Studies
   Qualifications: Senior standing and submission of a research proposal
   Provides a stipend and a summer tuition remission

Ronald E. McNair Post-Baccalaureate Achievement Program (www.aap.umd.edu/McNair/index.htm)
   Qualifications: 2.85 minimum GPA, junior or senior standing addition, students must meet one or more of the following criteria:
              Low income, first-generation college student, physically handicapped, member of a group traditionally under-represented in graduate school
   Provides a stipend and summer room and board

Joint Institute for Food Safety and Nutrition (www.jifsan.umd.edu/internship.htm)
   Sponsors: Food and Drug Administration (FDA) and the University of Maryland
   Qualifications: completion of two college semesters
   Provides opportunity to work under the guidance of FDA scientists. Students are eligible for paid internships after completion of a voluntary period of service.

Internship Programs (www.chemlife.umd.edu/internship)
   Sponsors: College of Chemical and Life Sciences and the UM Career Center
   Programs: Career workshops
              Internship and career fairs
              Internship opportunities posted on LifeLink email newsletter and web site
